MAXIMILIANO VEIGA
BACKEND DEVELOPER | WWW.MAXIMILIANOVEIGA.COM.BR

OBJECTIVE

I want to be part of the team to grow my professional career in a productive way, developing, participating and applying my knowledge in an innovative way, always with practices and permanent improvements.

SKILLS

Hi, I'm Maximiliano. I am currently a backend developer with experience in NodeJS, Golang and PHP development. I really like this area. I've been studying since I was 16 and I have the motivation to improve every day with new practices based on team development.

KEY SKILLS

Backend Development
Natural Language Undestanding
Machine Learning
SQL
